

HARDY EXPLORATION & PRODUCTION (INDIA) INC

EXPRESSION OF INTEREST (EOI): FOR PROVISION OF HIRING OF DRILLING RIG, CAPABLE OF OPERATING IN WATER DEPTH UPTO 110M, VARIOUS DRILLING ALLIED SERVICES, SUPPLY OF TANGIBLES AND WELL CONTROL UMBILICAL & SUB-SEA FLEXIBLE FLOW LINES IN BLOCK CY-OS-90/1 (PY-3 FIELD)

UNDER INTERNATIONAL COMPETITIVE BIDDING

Hardy Exploration & Production India Inc. (“HEPI”), on behalf itself (being the operator of PY-3 Field) and other consenting parties, namely, Oil and Natural Gas Corporation Limited (“ONGC”) and Invenire Petrodyne Limited (formerly Tata Petrodyne Limited) (“IPL”) (HEPI, ONGC and TPL are hereinafter collectively referred to as the “Consenting Parties”), seeks an Expression of Interest from reputed offshore contractors for its Phase II RFDP drilling campaign together hook up of wells to FPSO for production. The campaign is expected to commence in Q1 of FY 2026-27.

Services/ Supplies categories required for the aforementioned drilling campaign are broadly listed below:

1. Charter Hire of Drilling Rig:

A drilling rig (Independent Leg Jack up) meeting the following requirements.

<ul style="list-style-type: none"> (a) capable to drill +/- 5200 m in water depth of upto 110m; (b) to be able to install sub-sea Well-Head & Horizontal X-tree; (c) equipped with BOP and Choke Manifold rated to 10,000 PSI, Handling system for 18 3/4” & 21 1/4” BOP Stack, 21 1/4 x 2K diverter, BOP Hydraulic Control Unit, Instrumentation to make drilling data available; (d) minimum 3 Mud Pumps capable to provide 1100 GPM; (e) minimum 3 Engines for power generation, Top Drive, Hydraulic Cathead; (f) DP (5”, 3-1/2”, 2-7/8”), 5” HWDP, Drill Collars (8”, 6-3/4”, 4-3/4”, 3-1/2”) and Drilling Jar for (8”, 6-3/4”, 4-3/4”); 	<ul style="list-style-type: none"> (h) adequate quantity of mud tanks and mud mixing system, Trip Tank, Slug Tank, Mud Lab and Testing equipment; (i) having provision of solid control equipment e.g. minimum 3 x shale shakers with in-built scalping and some of them with linear motion, mud cleaners, etc; (j) wide range of shaker screens API 20 to API 270 as per API RP 13C designation; (k) de-silter, degasser, centrifuge, mud gas separator, brine filtration unit; (l) deck cranes of sufficient boom length (50T); (m) helipad meeting the Indian statutory requirements; (n) all necessary safety equipment, firefighting equipment, lifesaving equipment and accommodation for the personnel.
---	---

(g) drilling handling equipment and casing handling equipment for 30" & 20" connector casings;	(o) oil spill equipment(s) in compliance with Indian statutory requirements.
--	--

2. Supply of Drilling Tangibles & Chemicals:

<ul style="list-style-type: none"> (a) Subsea Flowlines and Umbilicals, Pipeline End Manifold (PLEM), Subsea Distribution Unit (SDU) and subsea infrastructure; (b) OCTG (Casing and Tubing); (c) Casing Accessories including float equipment, wiper plugs, centralizers, stop collars, foam balls etc; (d) Drill Bits; 	<ul style="list-style-type: none"> (e) Upper and Lower Completion Equipment; (f) Mud & chemicals; (g) Cement & cementing chemicals; and (h) Liner hanger equipment and associated accessories.
--	--

3. Provision of Drilling/ Completion & Associated Services

<ul style="list-style-type: none"> (a) AHTS for drilling campaign; (b) Chopper Services; (c) Site Scan Sonar / Offshore Site Surveys; (d) Saturated Diving and ROV Services; (e) Rig Positioning Services; (f) Wireline Logging & Perforation Services (Optional); (g) Slick Line Services; (h) Mud Logging Services; (i) Cementing Services; (j) Mud Engineering & Solid Control Services; (k) DD-LWD-MWD Services; (l) Liner Hanger Running Equipment and Services; (m) Casing & Tubing Running Services; 	<ul style="list-style-type: none"> (n) Sub-sea Wellhead & X-tree services; (o) Fishing and Milling Services; (p) Drill Stem Testing Services (Optional) (q) Surface well testing Services; (r) Coil Tubing Unit and services; (s) Nitrogen Pumping Unit and Services; (t) Acidization Services; (u) Completion Services (v) Waste Disposal and formation water disposal; (w) Voice & Internet services; and (x) Drilling parameters transmission to base office. (y) Installation Vessel for laying of subsea umbilicals, riser and flowlines.
--	--

4. Provision of Miscellaneous Services:

<ul style="list-style-type: none"> (a) Inland Logistics and Global Logistics; (b) Clearing and Forwarding (CHA) Services; (c) Warehouse and Shore Base Management Services; 	<ul style="list-style-type: none"> (d) Tubular Inspection and NDT Inspection Services; and (e) Security and Escort Services. (f) Geophysical Survey and Geotech Services
--	---

5. Supply of Consumables ,Materials & Manpower:

(a) Fuel (HSD); (b) Potable and Drill Water	(c) Well Engineering, Drilling Engineers, Drilling Superintendent & Consultants
--	--

The interested parties shall be required to meet the following pre-qualification criteria:

- Three years successful experience of supply, installation & commissioning for Offshore Operators/International Oil Companies (IOCs)/National Oil Companies (NOCs).
- Availability of equipment/services in conformance with the above specifications.
- Established Quality Management System.
- Average Turnover of the immediately preceding 2 financial years shall be equal to or more than the estimated contract value.
- Established Health, Safety & Environment Management system as per Good International Petroleum Industry Practices (GIPIP) -2016 from Directorate General of Hydrocarbons (DGH).

Interested parties may submit their Expression of Interest to participate in the tendering process along with contact details and requisite documents providing details/specifications of proposed equipment/services, past experience in India and internationally, clients list, availability schedules, Health, Safety & Environment Management System with accident/incident records for the last five years, Quality Management System, and financial details for the previous three years to establish their qualification credentials on the basis of the above criteria.

Note: HEPI reserves the right to accept or reject any EOI response without disclosing any reason.

Expressions of interest are to be submitted within 15 days of publication of this Expression of Interest to:

Deputy General Manager – Contracts & Material Management and SCM at py3eoi@hardyoil.co.in
